Complaints under this Article are excluded from the grievance arbitration procedure in this contract. (Article VIII Step 4, A).

ARTICLE IV
WORKING CONDITIONS

A. Work Year:

1. The work year for school nurses shall be 184 days, as reflected on the Salary Schedule. The Board reserves the right to schedule the work year for school nurses between 181 and 200 days, subject to paragraph 2 below. Should the Board exercise this option and change the work year, the Board shall provide written notification on or before May 1ST for a change in the work year in the following school year. The salary schedule shall be adjusted pro rata for any such change in the work year.
2. The work year shall be as assigned by the school administration in accordance with the school calendar. Employees shall receive a tentative schedule during the month of September. If the Board changes the work year, it will negotiate with the Union over the impact of the changed work year on members of the bargaining unit.

B. Work Hours:

1. Employees shall be paid for hours worked.
2. If, in his or her discretion, the Superintendent releases employees early or permits a late start to the work day because of inclement weather or other good cause, such employees shall receive compensation for the hours they were otherwise scheduled to work, unless a full day is canceled, in which case said day may be rescheduled by the Superintendent. The work schedule as assigned by the Superintendent shall not depend upon whether school for students is closed early, starts late or is canceled for the day.
3. The work day for building nurses shall consist of a seven and one-half (7.5) hour day. Building nurses shall be at their assigned stations at least twenty (20) minutes

before students' arrival time. Building nurses working a full-time schedule shall remain in the building after the close of school for consultation with parents, teachers and administrators and to provide aid to students as needed. The 7.5 hour work day shall also include the time for the fulfillment of additional duties consistent with established practice. The Board may establish building nurse schedules that are between seven and one-half (7.5) and eight and one-half (8.5) hours in length on specific days in order to encompass the time needed for district after school activities, if any.

If any school nurse is regularly scheduled to work longer than a 7.5 hour day, she/he shall receive an additional annual salary payment reflective of an hourly rate calculated by dividing his/her annual salary by the regularly scheduled hours in the work year (the number of days scheduled in accordance with paragraph A.1. above times 7.5 hours).

In addition to the building nurse positions, the Board may establish additional bargaining unit nurse positions, with the schedule set for each position on an annual basis by the Superintendent of Schools.

4. Vacancies directly caused by the creation of new positions, death, retirement, resignation or any other severance from employment shall be posted for five (5) days on the district's website. However, the Board reserves the right to make interim appointments. The most qualified applicant to the position shall be appointed. Qualifications shall be determined by the Superintendent, whose judgment shall be final and binding.
5. With the prior approval of the Superintendent, once per month the Nurse Supervisor may meet with all employees (as a group) under his/her supervision for up to one hour to provide updates and review procedures after normal school hours. Employees shall be compensated at their appropriate rates of pay for attendance.
6. As part of the responsibility for directing and supervising school nurses articulated in the Nurse Supervisor job description, the Nurse Supervisor will engage in on-site supervision at least once per month at each school health office.
7. After School Activities/Summer Programs:
 - a. The administration shall publicize the availability of after school activities and summer coverage assignments to school nurses within the bargaining union as soon as practicable after such assignments become known to the administration.
 - b. While bargaining unit nurses may volunteer for such assignments, the administration shall not be required to use bargaining unit nurses for such assignments.

- c. The parties acknowledge that the administration may utilize outside contractors and/or substitute nurses in order to accommodate the need for nursing care for after school activities or summer programs.
 - d. Bargaining unit nurses who provide nursing coverage for after school activities during the student school year (which cause the nurse's hours on a particular day to exceed 7.5 hours), shall be compensated for such activities at an hourly rate calculated by dividing the nurse's annual salary divided by the regularly scheduled hours in the work year, (the number of days scheduled in accordance with paragraph A.1. above times 7.5 hours).
 - e. Bargaining unit nurses who provide nursing coverage for summer programs shall be compensated for such programs at an hourly rate calculated by dividing the nurse's annual salary divided by the regularly scheduled hours in the work year, (the number of days scheduled in accordance with paragraph A.1. above times 7.5 hours).
 - f. In the event that the administration is not able to obtain nursing coverage for such assignments, either through volunteers from the bargaining unit, substitutes or contracted nursing services, the Board reserves the right to require bargaining unit employees to provide such coverage. The school nurse supervisor shall be responsible for arranging for coverage in such instances. When possible, the Board shall give at least two (2) calendar days' notice of the need for such coverage.
- C. Every employee represented by this Agreement will be given a duty-free lunch period of not less than twenty (20) minutes incorporated within the above designated work day.

D. Tentative Assignments:

Employees should be notified in writing of their tentative assignment for the next school year on or about June 1st. Any change(s) made in the table of organization made through the annual budgetary process by the Board that leads to the elimination of positions within the bargaining unit shall be subject to discussion with the Union at least four (4) weeks prior to the change(s) going into effect. For all other position eliminations, the Board shall discuss the change(s) with the Union at least two (2) weeks in advance.

E. Employee Protection:

The Board shall protect and save harmless any employee from financial loss or expense, including legal fees and costs, if any, arising out of any claim, demand, suite or judgment by reason of alleged negligence or other act resulting in bodily injury to or death to any person or damage to or destruction of property within or without the school building, provided such employee at the time of the occurrence resulting in injury, damage or

destruction was acting in the discharge of duties within the scope of employment or under the direction of the Board as set forth in Connecticut General Statutes §10-235.

Complaints under this paragraph are excluded from the grievance arbitration procedure in this contract. (Article VIII Step 4, A).

F. Probation:

New employees shall serve a probationary period of ninety (90) working days that do not include days missed because of illness or other leave, and shall have no seniority rights during this period, but shall be subject to all other provisions of this agreement, except the right to grieve any disciplinary matters through the grievance procedure. All employees who have completed the probationary period shall acquire length of service records as of the date of their employment.

Notification of recall shall be mailed, return receipt requested, to the last address given by the employee.
