Dear Faculty and Families,

I am writing to you today to inform you that a District level staff member of CPS has tested positive for COVID-19 and is isolating. As soon as the District was made aware of this confirmed diagnosis, Colchester Public Schools (CPS) notified the Chatham Health District (CHD) to assess the risk of transmission. Based on the guidance provided by the CHD, the District has taken the following steps below to keep our community safe.

1) Isolation: The staff member of our community who has tested positive for COVID-19 has followed medical recommendations to isolate. Please understand that more specific information will not be shared due to privacy concerns.

2) Contact Tracing: In all cases, the CPS staff and CHD have already reached out to those who came into contact with the individuals who tested positive and have asked them to self-isolate.

3) Continuity of Education: There is no impact on schools or instruction in this case.

The District will continue to monitor this situation and will use sound decision making based on guidance from the Centers for Disease Control and CHD to maintain safety and continue instruction. Please feel free to contact us for specific questions or concerns.

Thank you, as always, for your support and partnership as we work to keep our students, staff, and community safe.

Sincerely,

Jeffrey E. Burt
